Explanation of Responses:

1. On June 8, 2022, the OCF 2014 Trust acquired 250,000 shares of common stock of the Issuer in a private placement (or "PIPE") at \$10.00 per share (the "PIPE Shares"). On June 10, 2022, the reporting person filed a Form 4 which erroneously reported that the reporting person may have had indirect beneficial ownership of the PIPE Shares (while disclaiming beneficial ownership of such shares except to the extent of his pecuniary interest therein). In fact, and as reflected in this amendment, the reporting person does not (and did not on June 8, 2022 when the OCF 2014 Trust acquired the PIPE Shares) have an indirect beneficial ownership interest in the PIPE Shares.

/s/ Omid Farokhzad
